otta

The Otta Broker Portal

A tour of the portal brokers use to apply, track quotes and manage policies

FOR OTTA TEAM

What this module covers

1 Getting access

Signing in, requesting access and emailed sign-in links.

2 The dashboard

What brokers see first and how the menu works.

3 Forms and applications

Completing forms online, sending them to clients and tracking them.

4 Quotes, policies and help

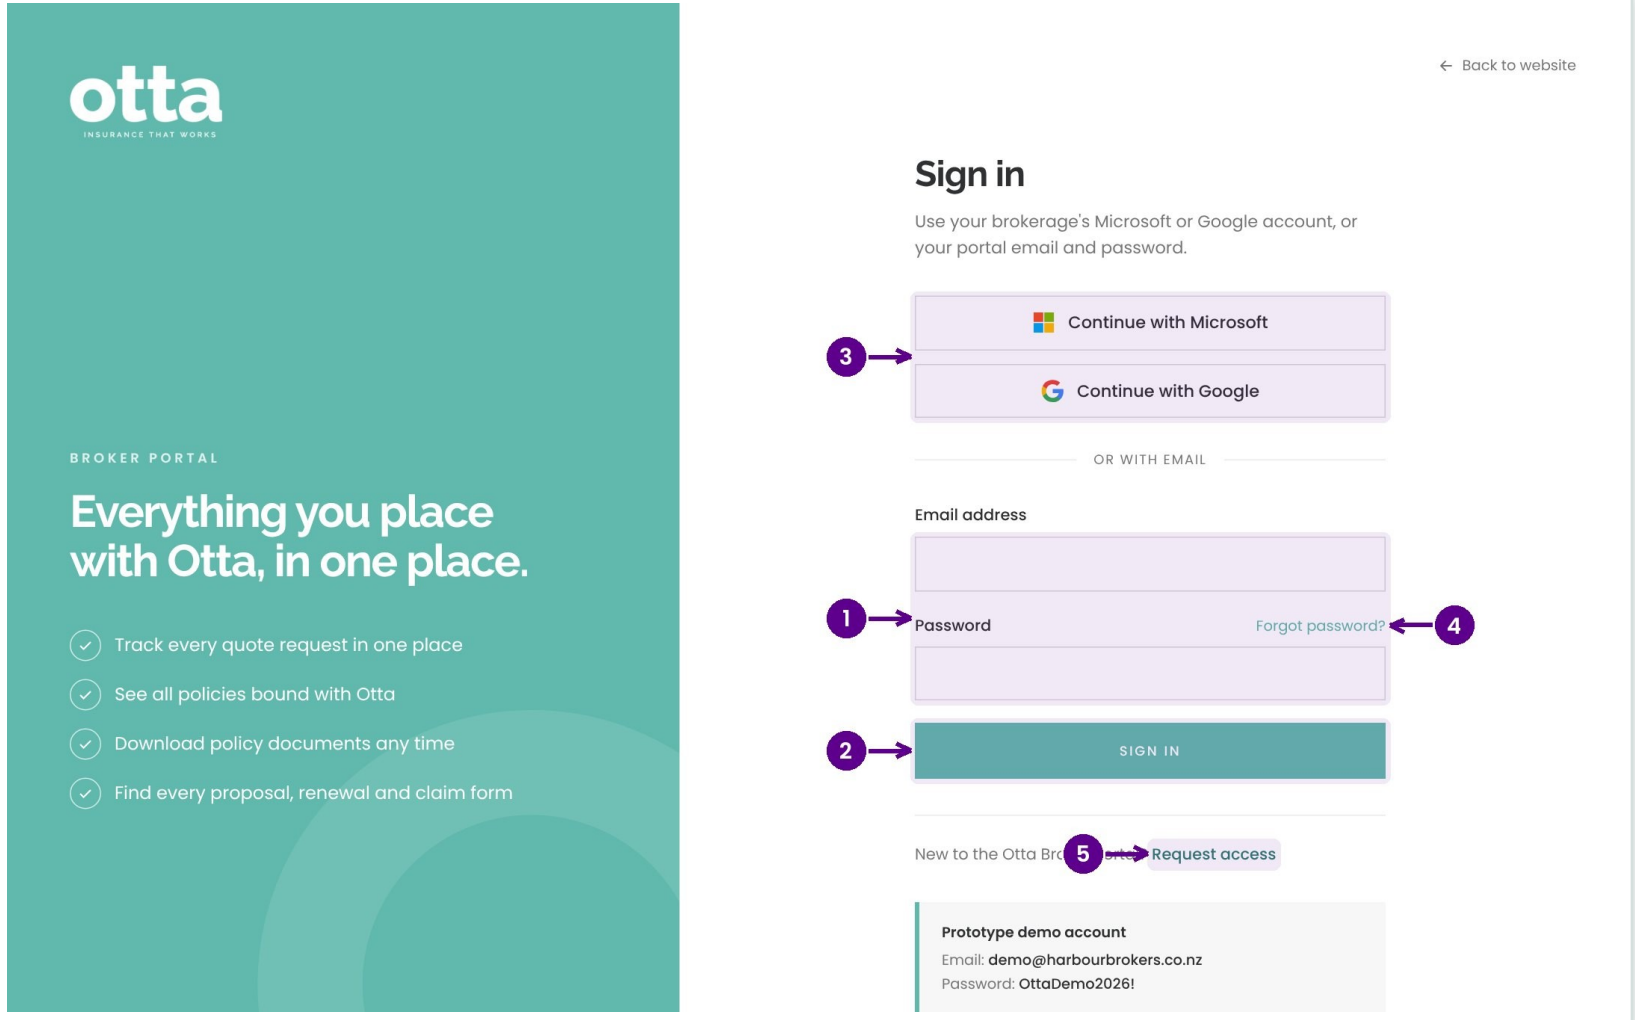

Binding a quote, policies, documents and account settings.

01

Getting access

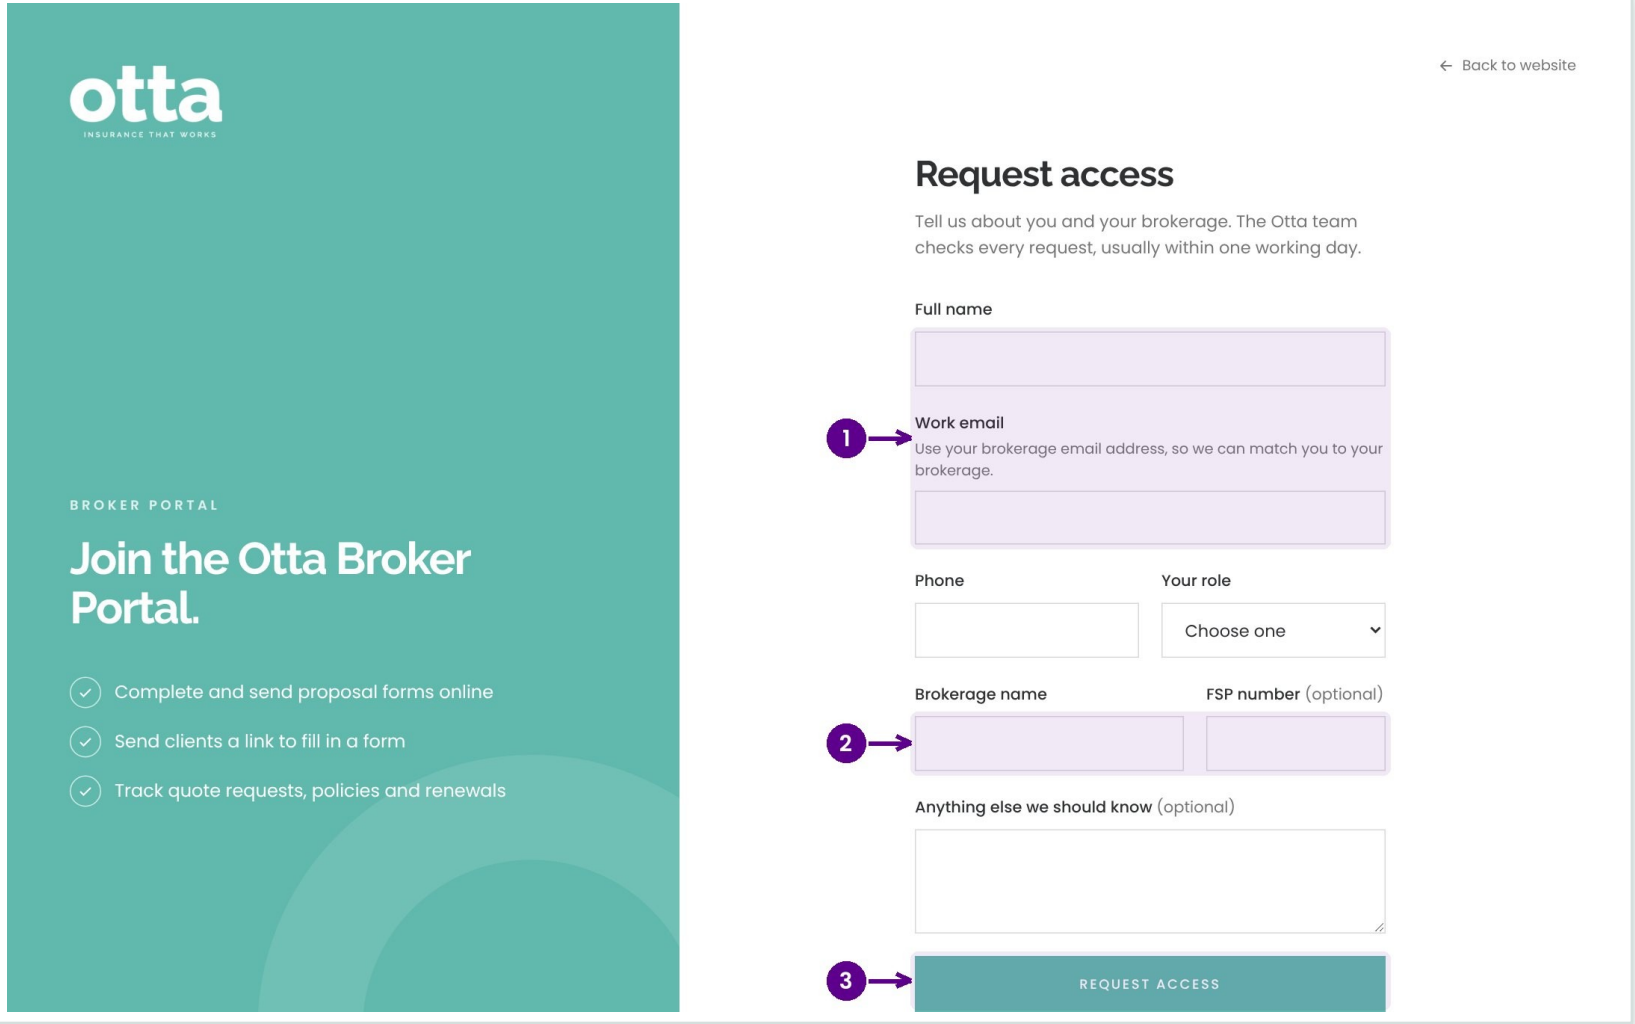

Brokers sign in with a password, an emailed link or their work account.

Signing in

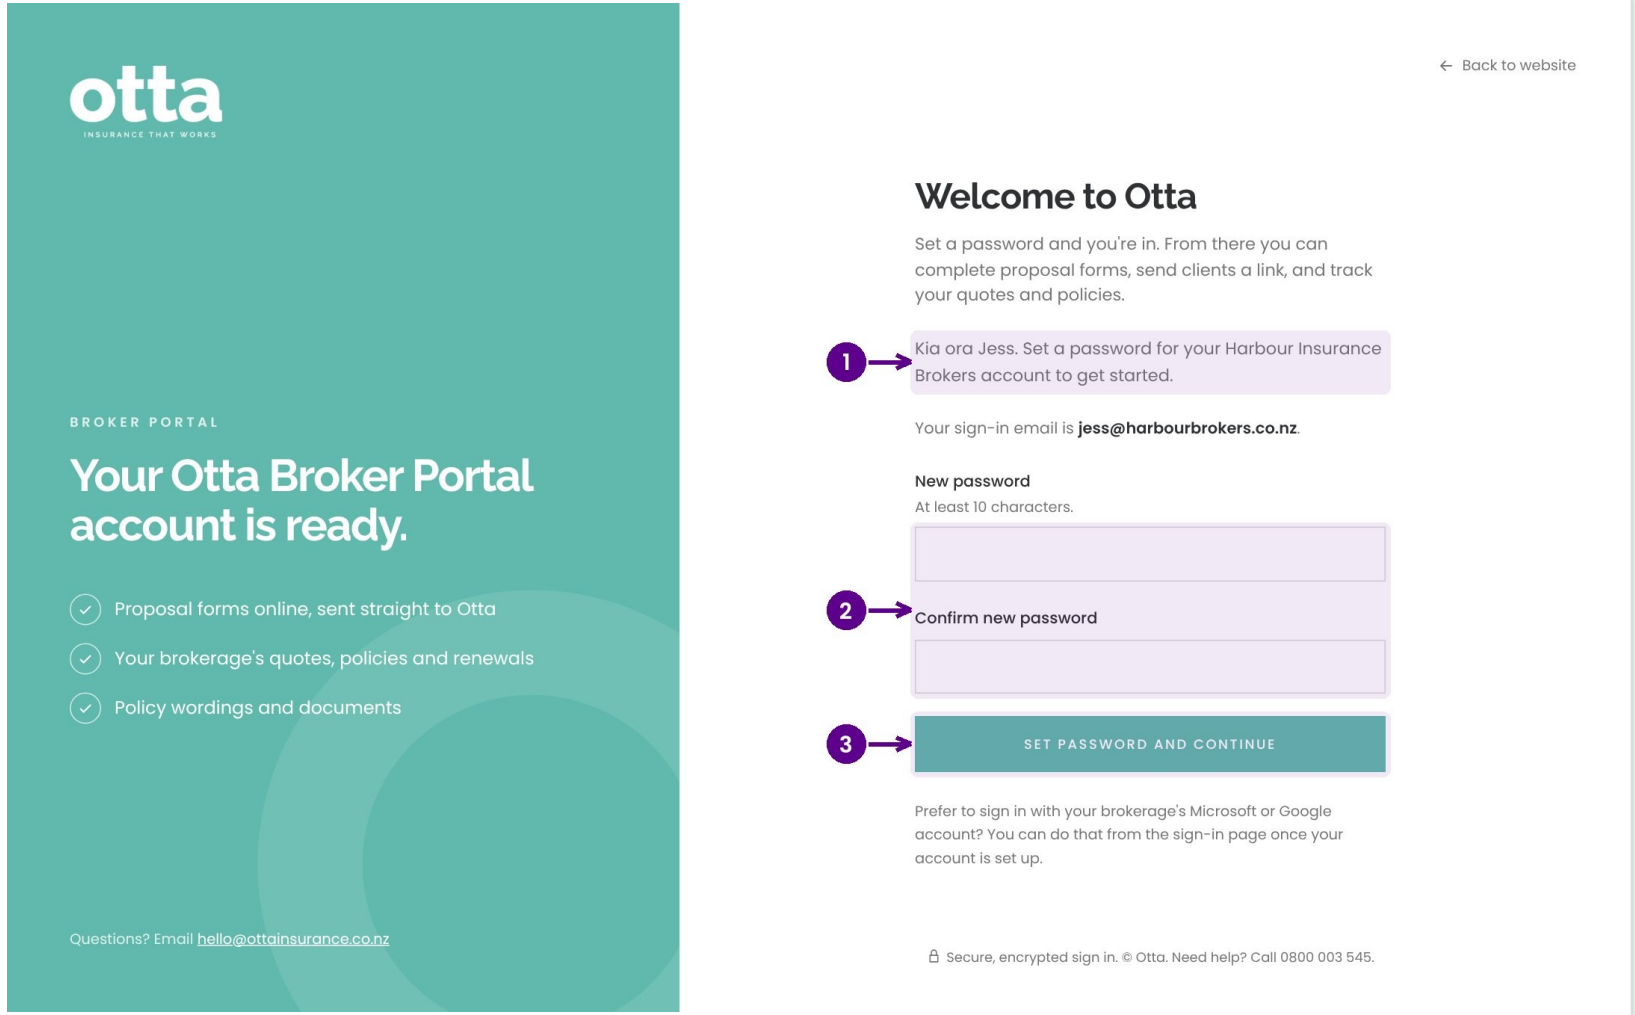

1. Work email and password.
2. Select Sign in.
3. Or sign in with Microsoft or Google.
4. Forgotten your password? Email yourself a sign-in link.
5. New to Otta? Request access.

Requesting access

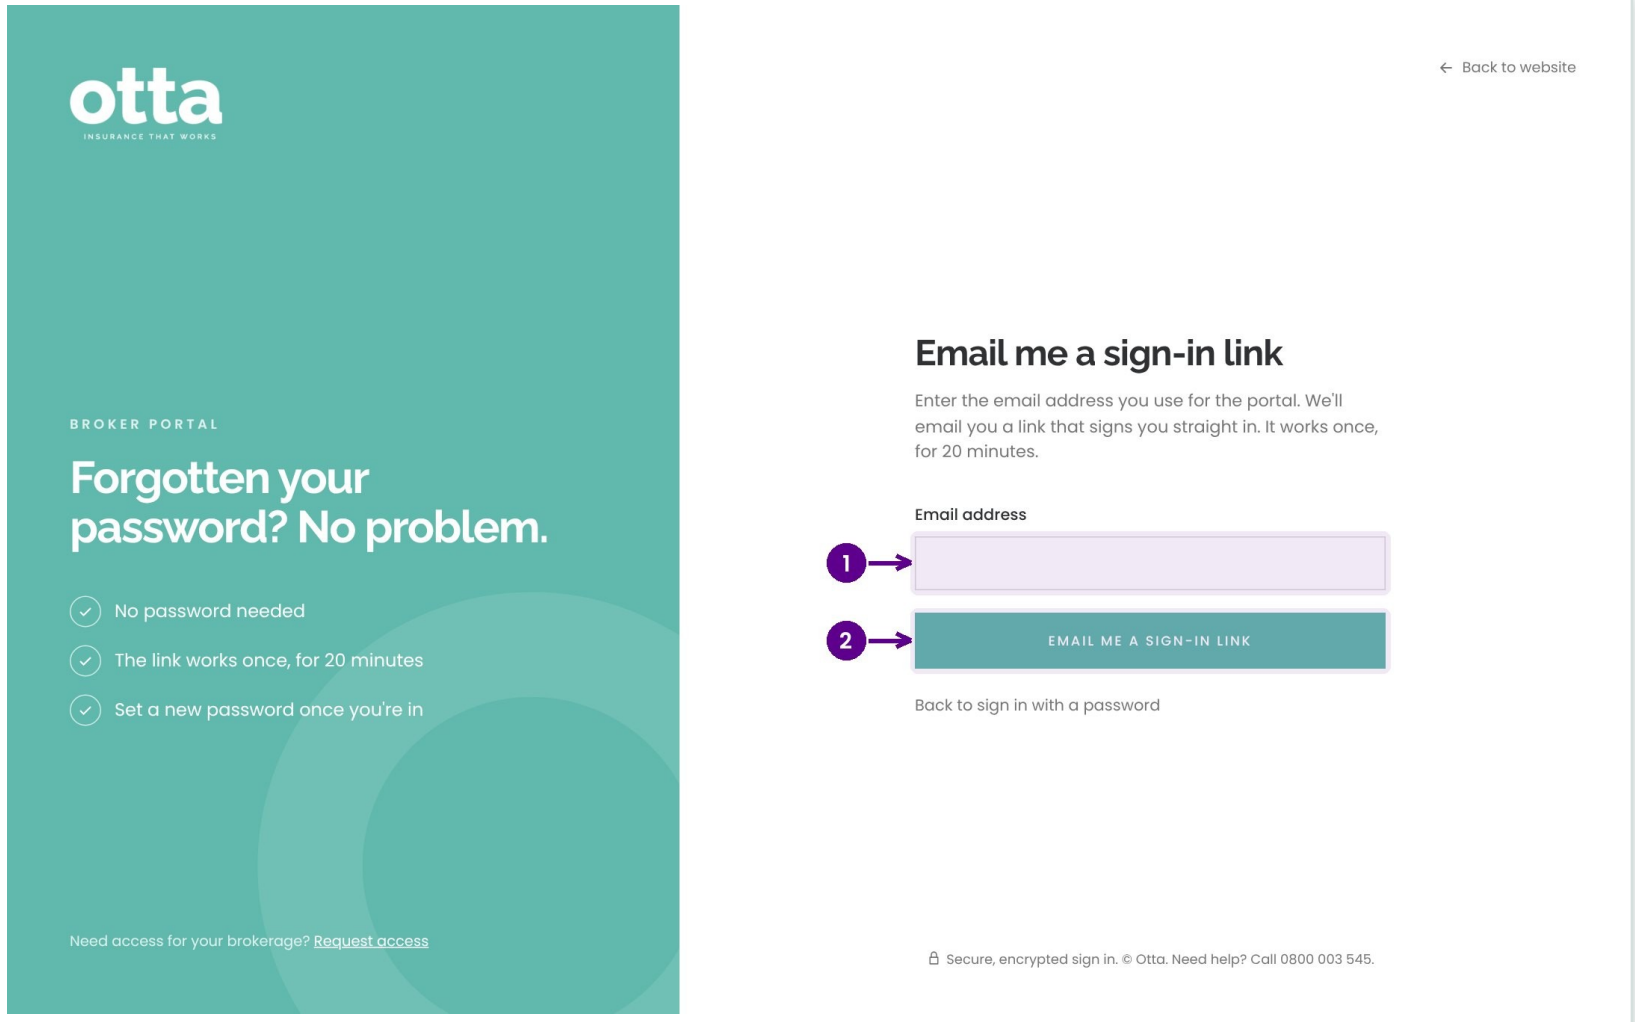

1. Name and work email.
2. Brokerage name and FSP number.
3. Request access. The Otta team checks it, usually within one working day.

The welcome link

1. The welcome page, for the broker's new account.
2. Choose and confirm a password.
3. Set password and go straight into the portal.

Emailed sign-in links

1. Enter the work email on the account.

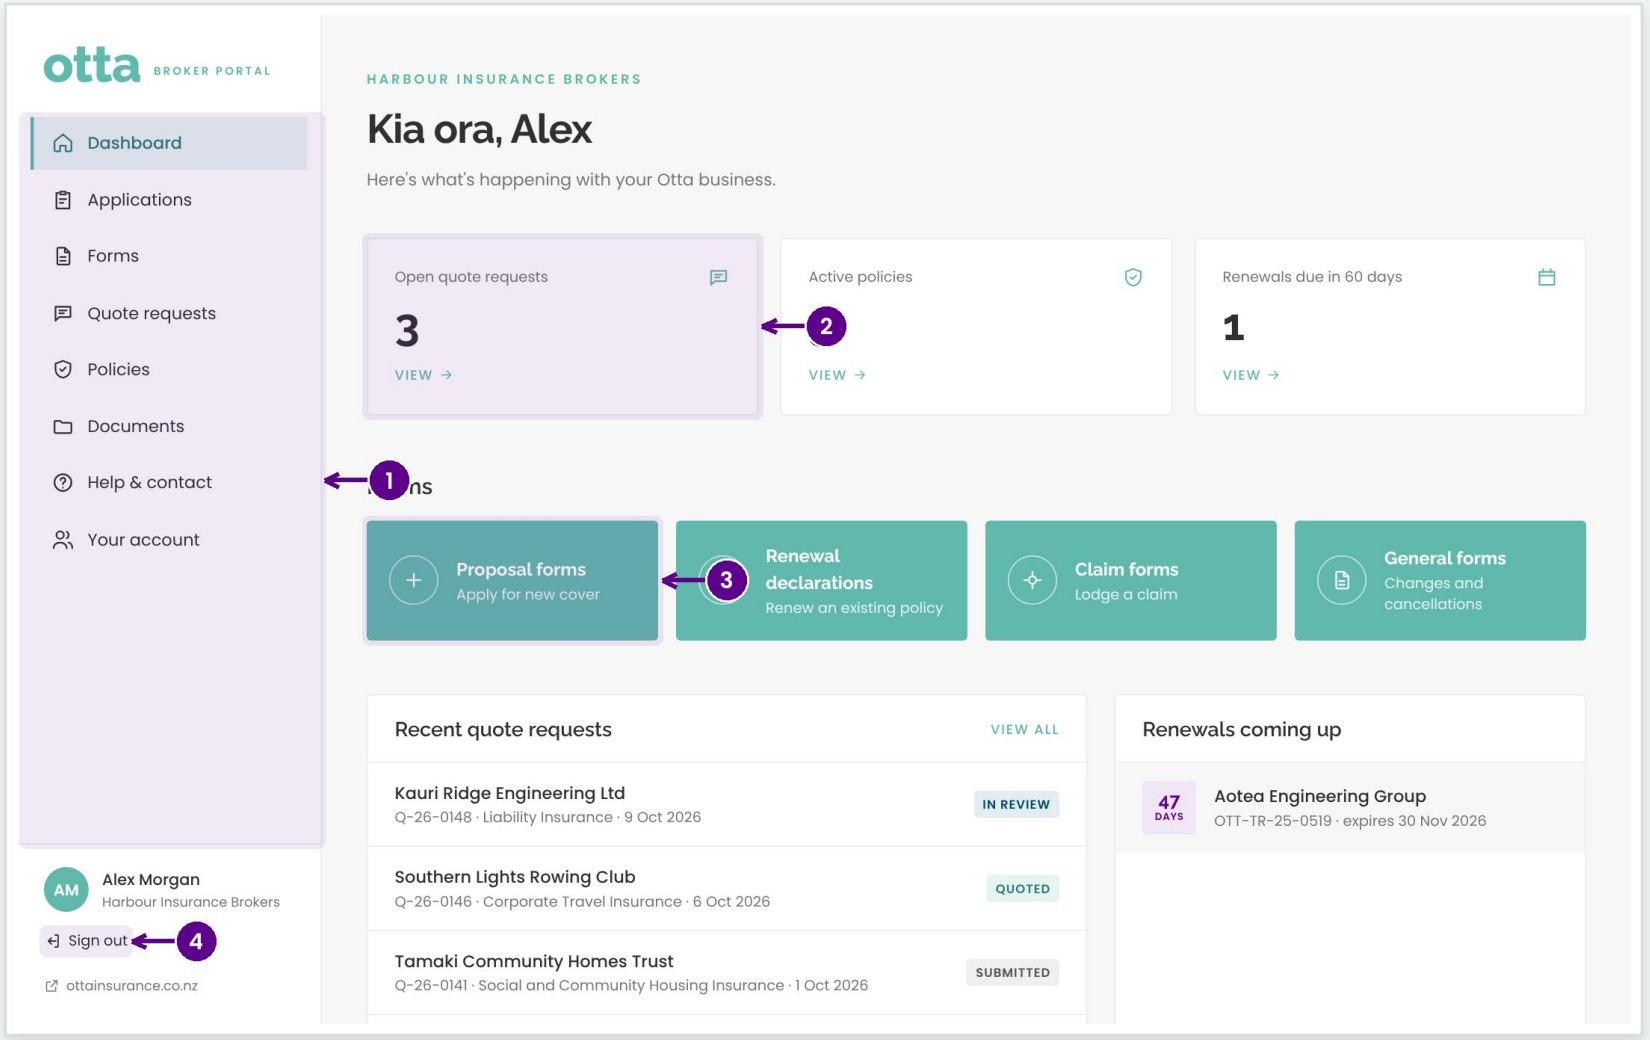

2. Email me a sign-in link. It works once, for 20 minutes.

02

The dashboard

Everything a broker has with Otta, on one page.

The dashboard

1. The menu: Dashboard, Applications, Forms, Quote requests, Policies, Documents, Help and Your account.

2. Open quote requests, active policies and renewals due. Select one to see the list.

3. Shortcuts to proposal forms, renewal declarations, claim forms and general forms.

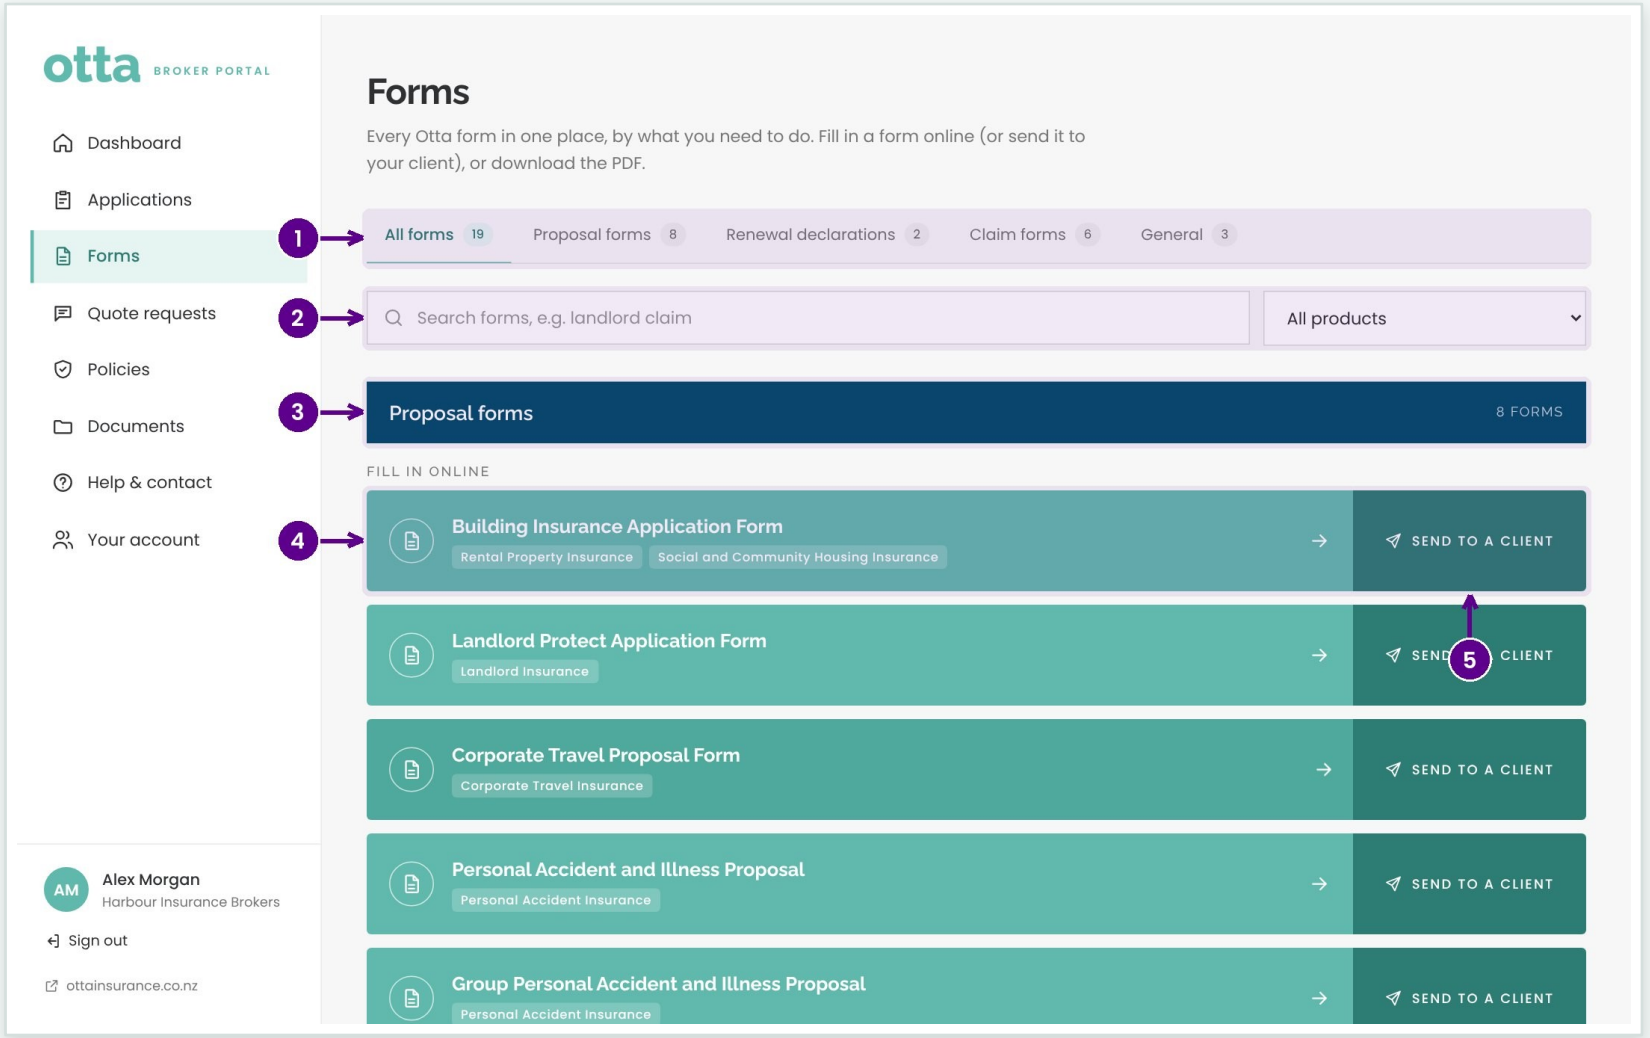

4. Sign out.

03

Forms and applications

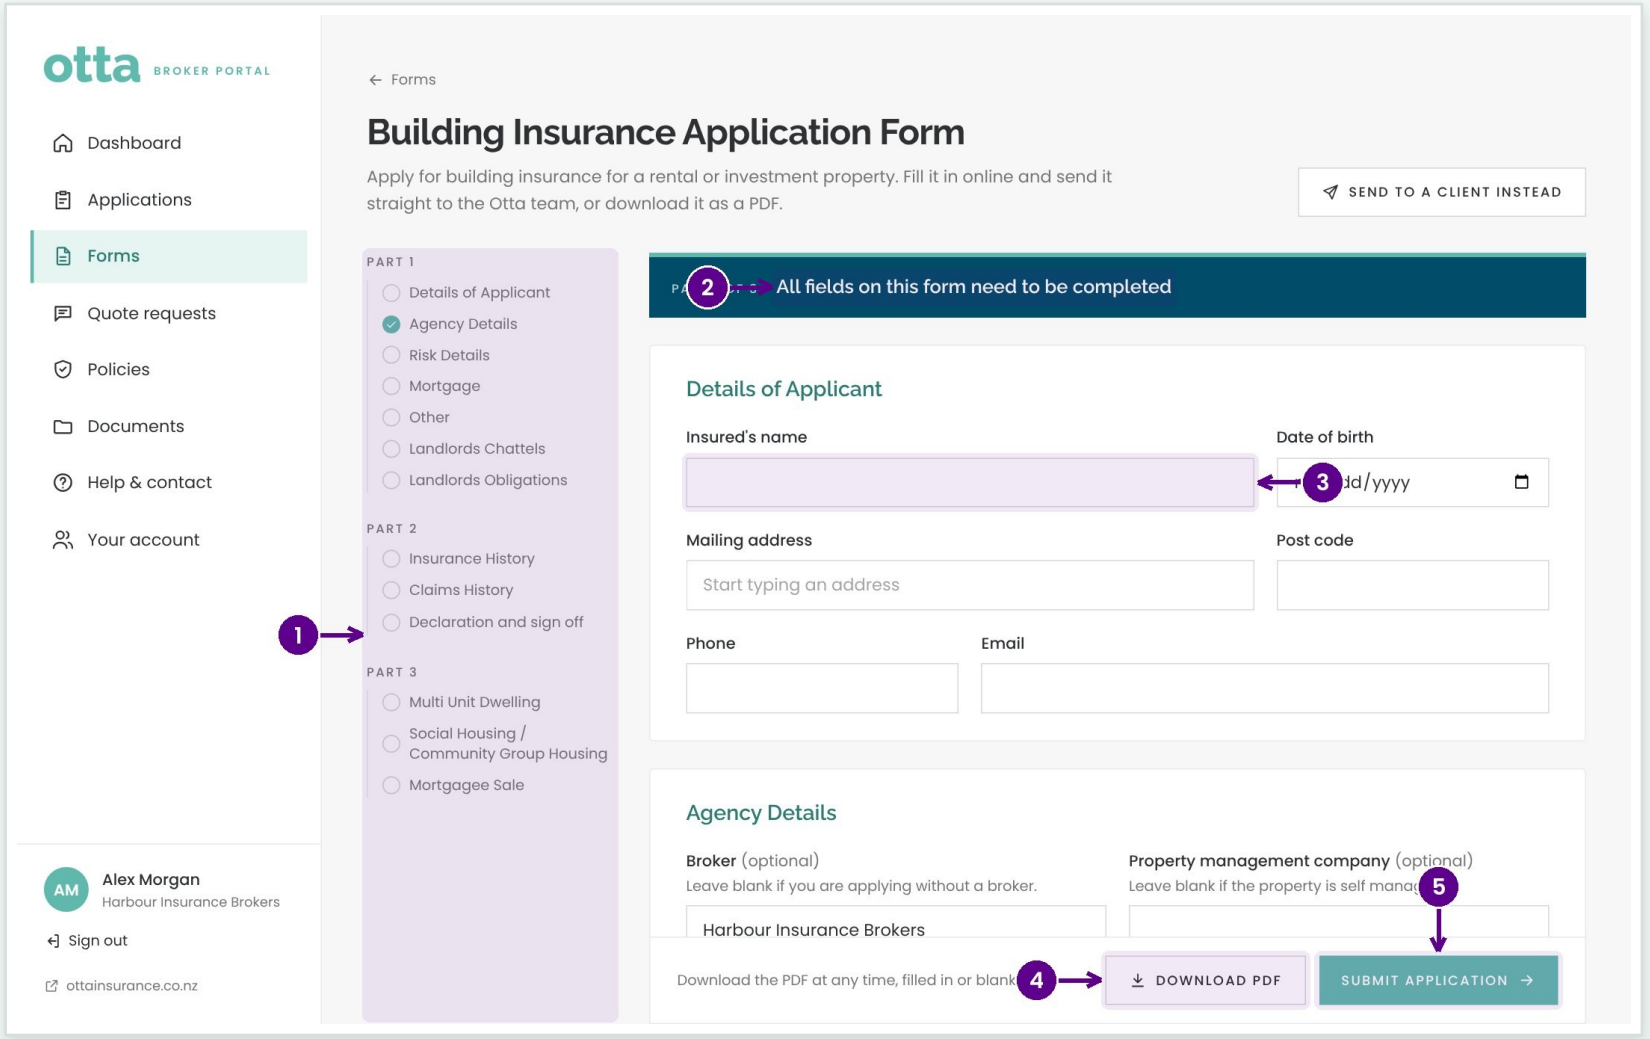

Brokers can complete a form themselves or send a secure link to their client.

Forms

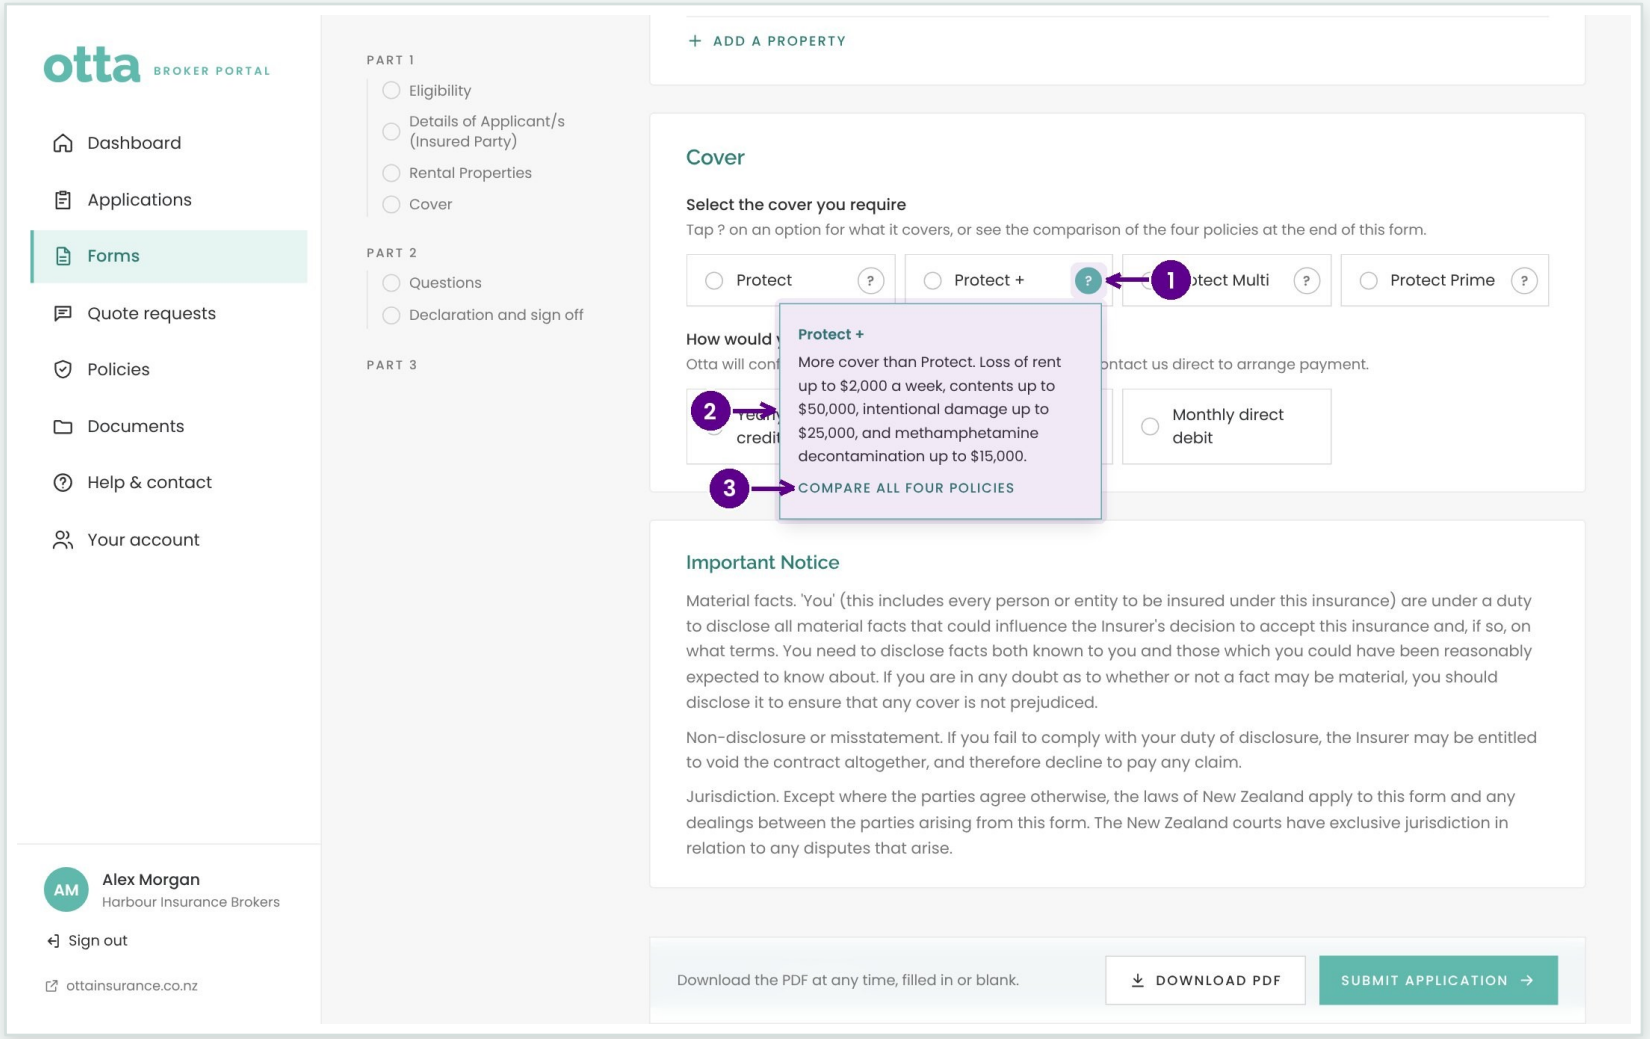

1. Choose the type: proposal forms, renewal declarations, claim forms or general forms.
2. Search by name or filter by product.
3. Forms are grouped under a banner for each product.
4. Select a form to complete it online.
5. Send to a client emails them a secure link instead.

Completing a form online

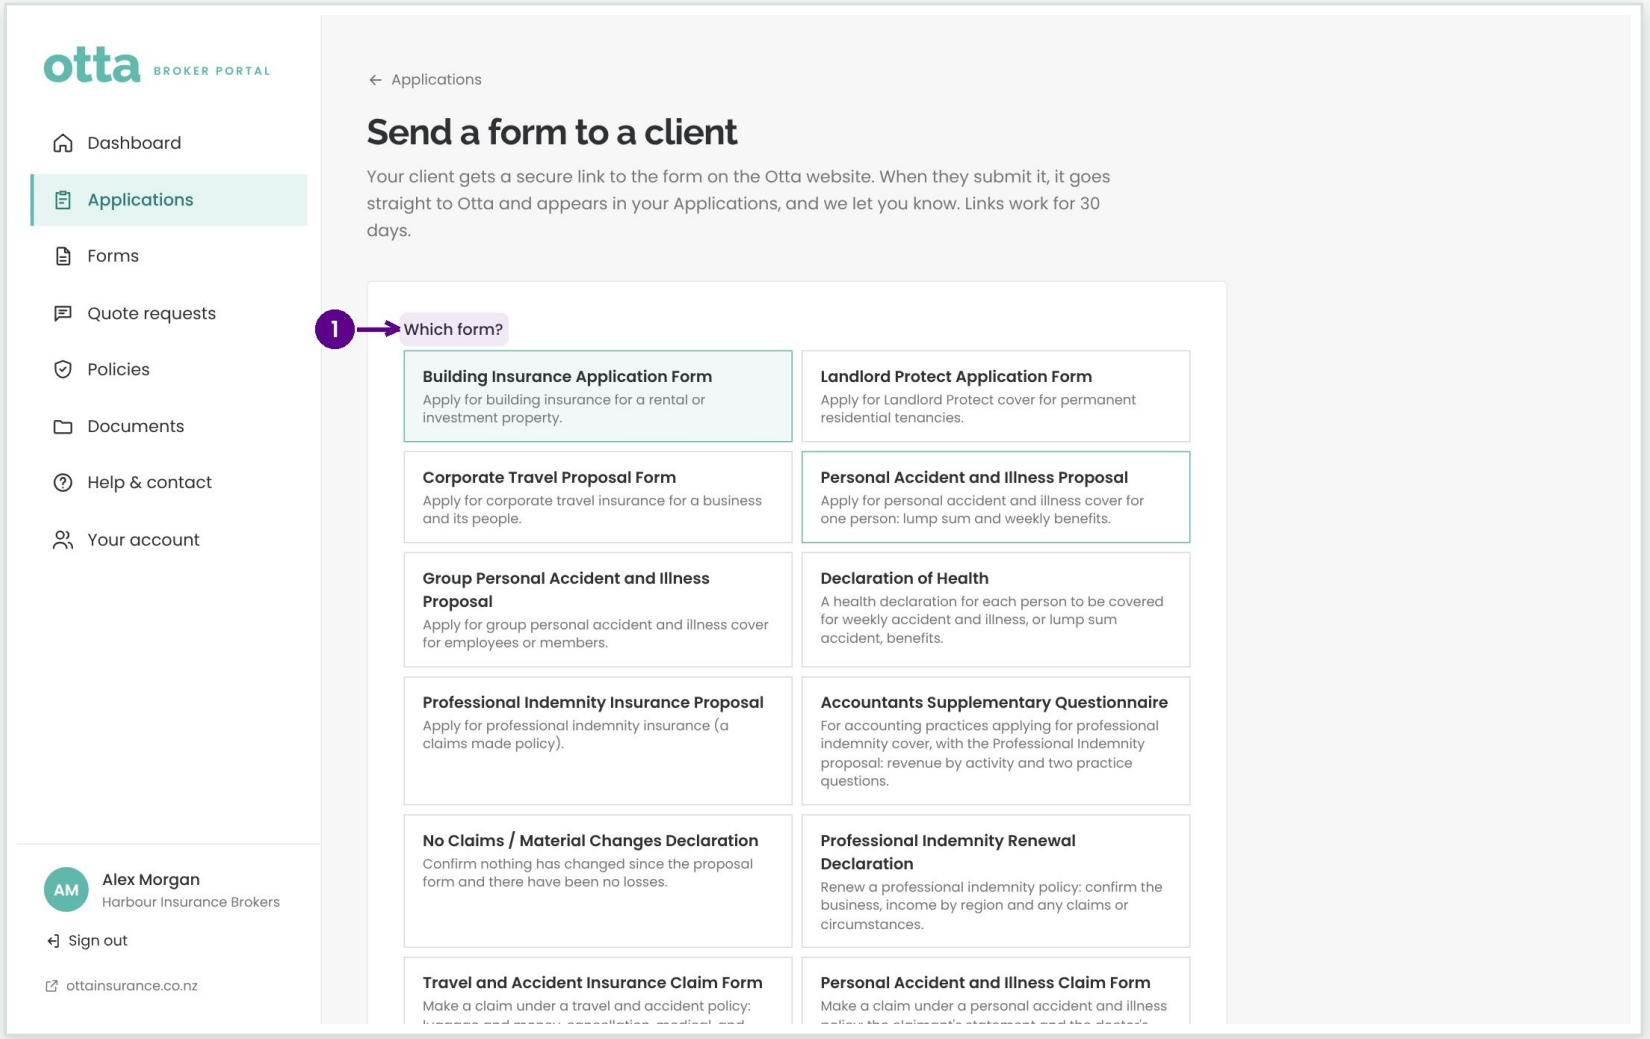

1. The sections of the form. Jump to any section.
2. Each section is clearly headed.
3. Fill in the answers. Progress is kept as you go.
4. Download PDF saves a copy at any point.
5. Submit application sends it straight to Otta.

Help with cover options

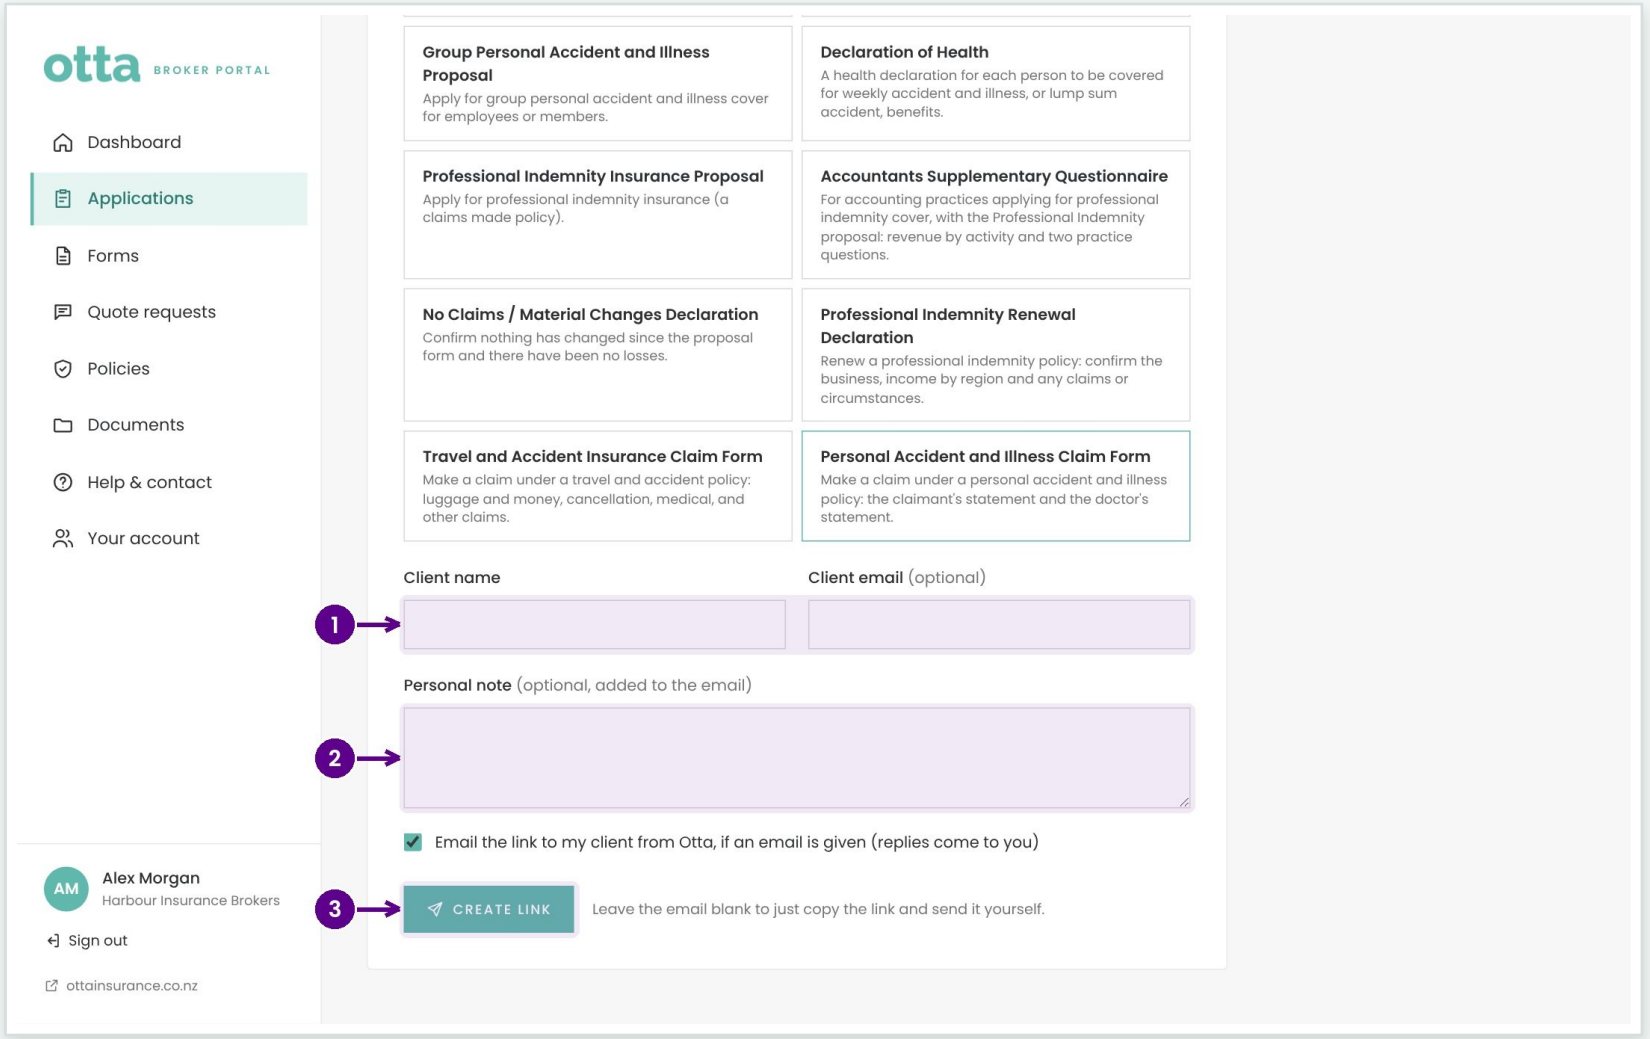

1. Select the question mark beside a cover option.
2. A short explanation of what it covers.
3. A link to the policy wording for the detail.

Sending a form to a client

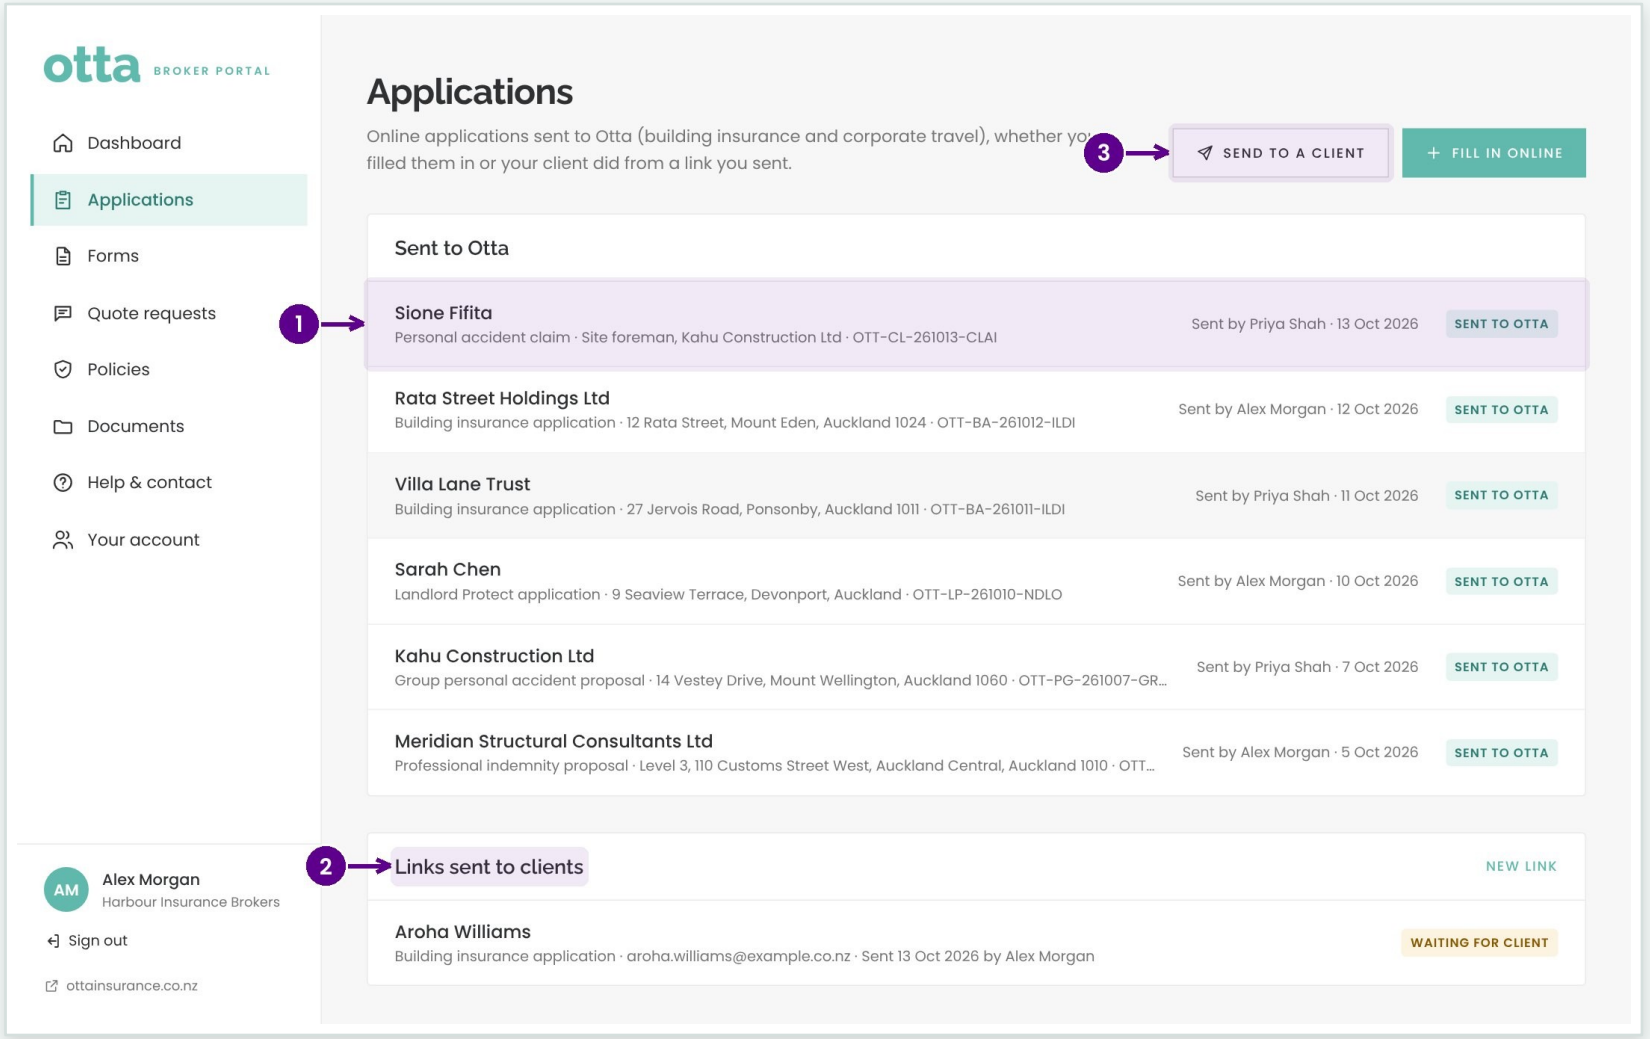

1. Choose which form to send.

Sending a form to a client (continued)

1. The client's name and email.
2. An optional personal note for the email.
3. Create link. Otta emails it to the client, or copy it and send it yourself.

Tracking applications

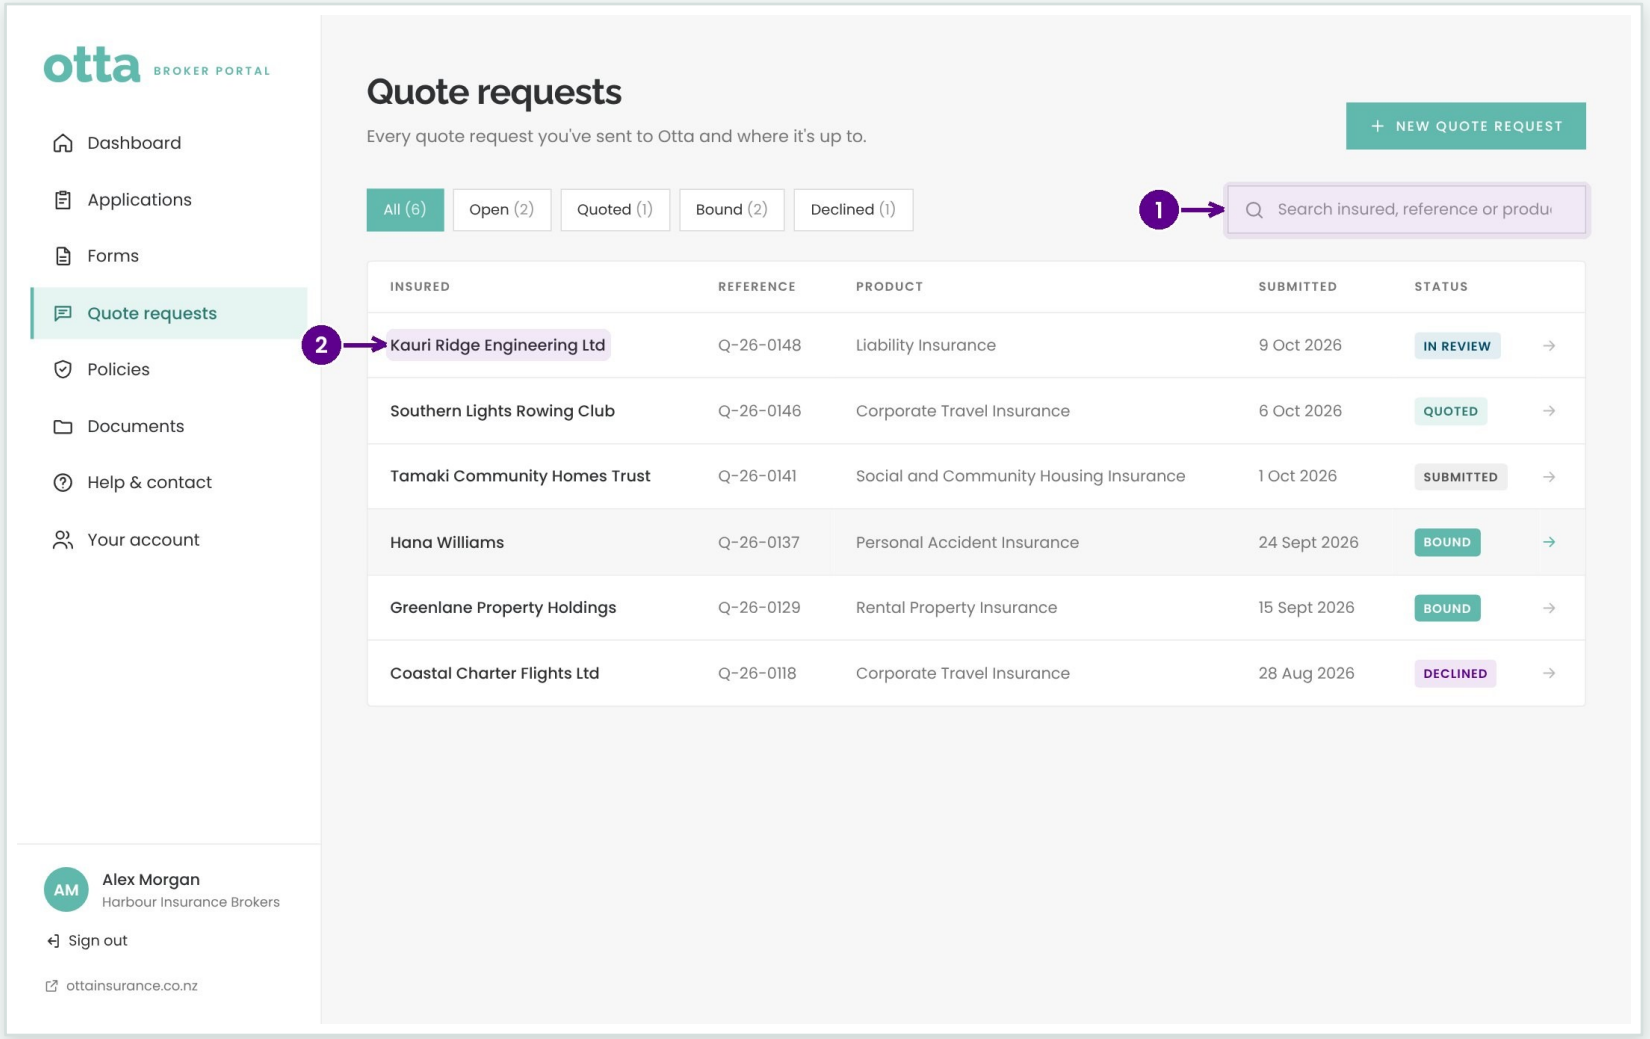

1. Applications sent to Otta, by you or your clients.
2. Links sent to clients, and whether they've been completed.
3. Send to a client or fill in a new form online.

04

Quotes, policies and help

From quote to bound policy, and where to get help.

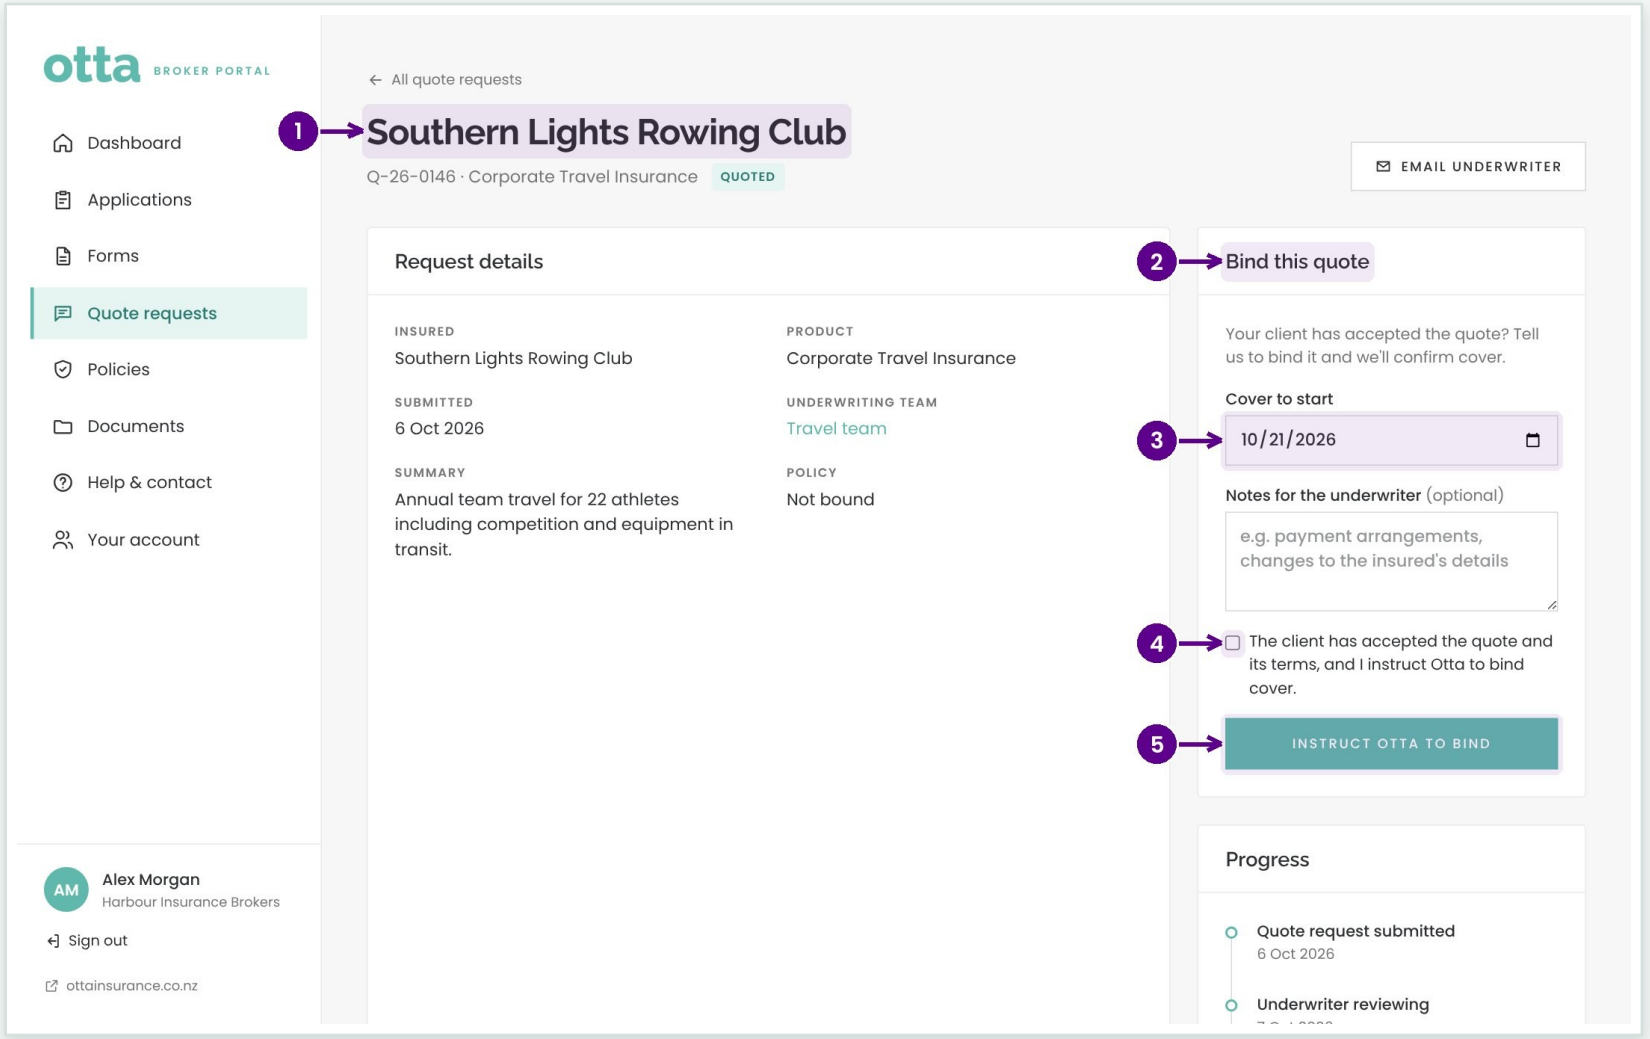

Quote requests

1. Search quote requests.

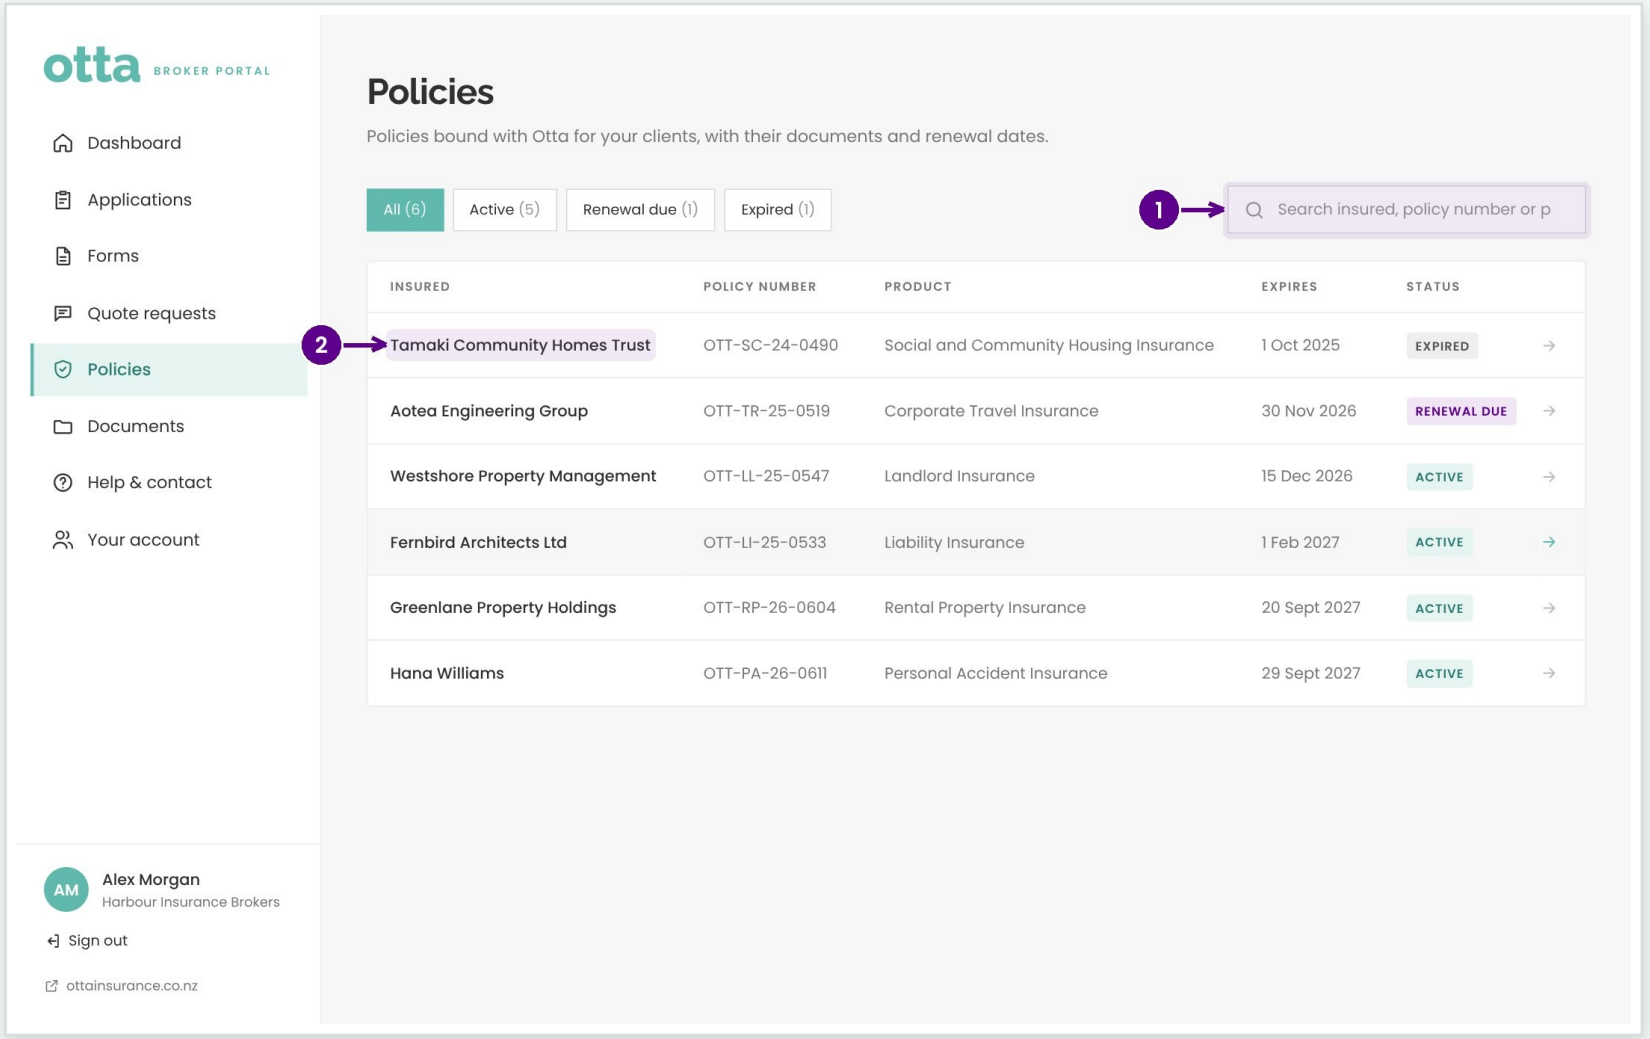

2. Select a quote to see its status and details.

Binding a quote

1. The quote and its details.
2. Bind this quote, once the client has accepted.
3. The inception date.
4. Confirm the client has accepted the quote and terms.
5. Instruct Otta to bind. The Otta team is told straight away.

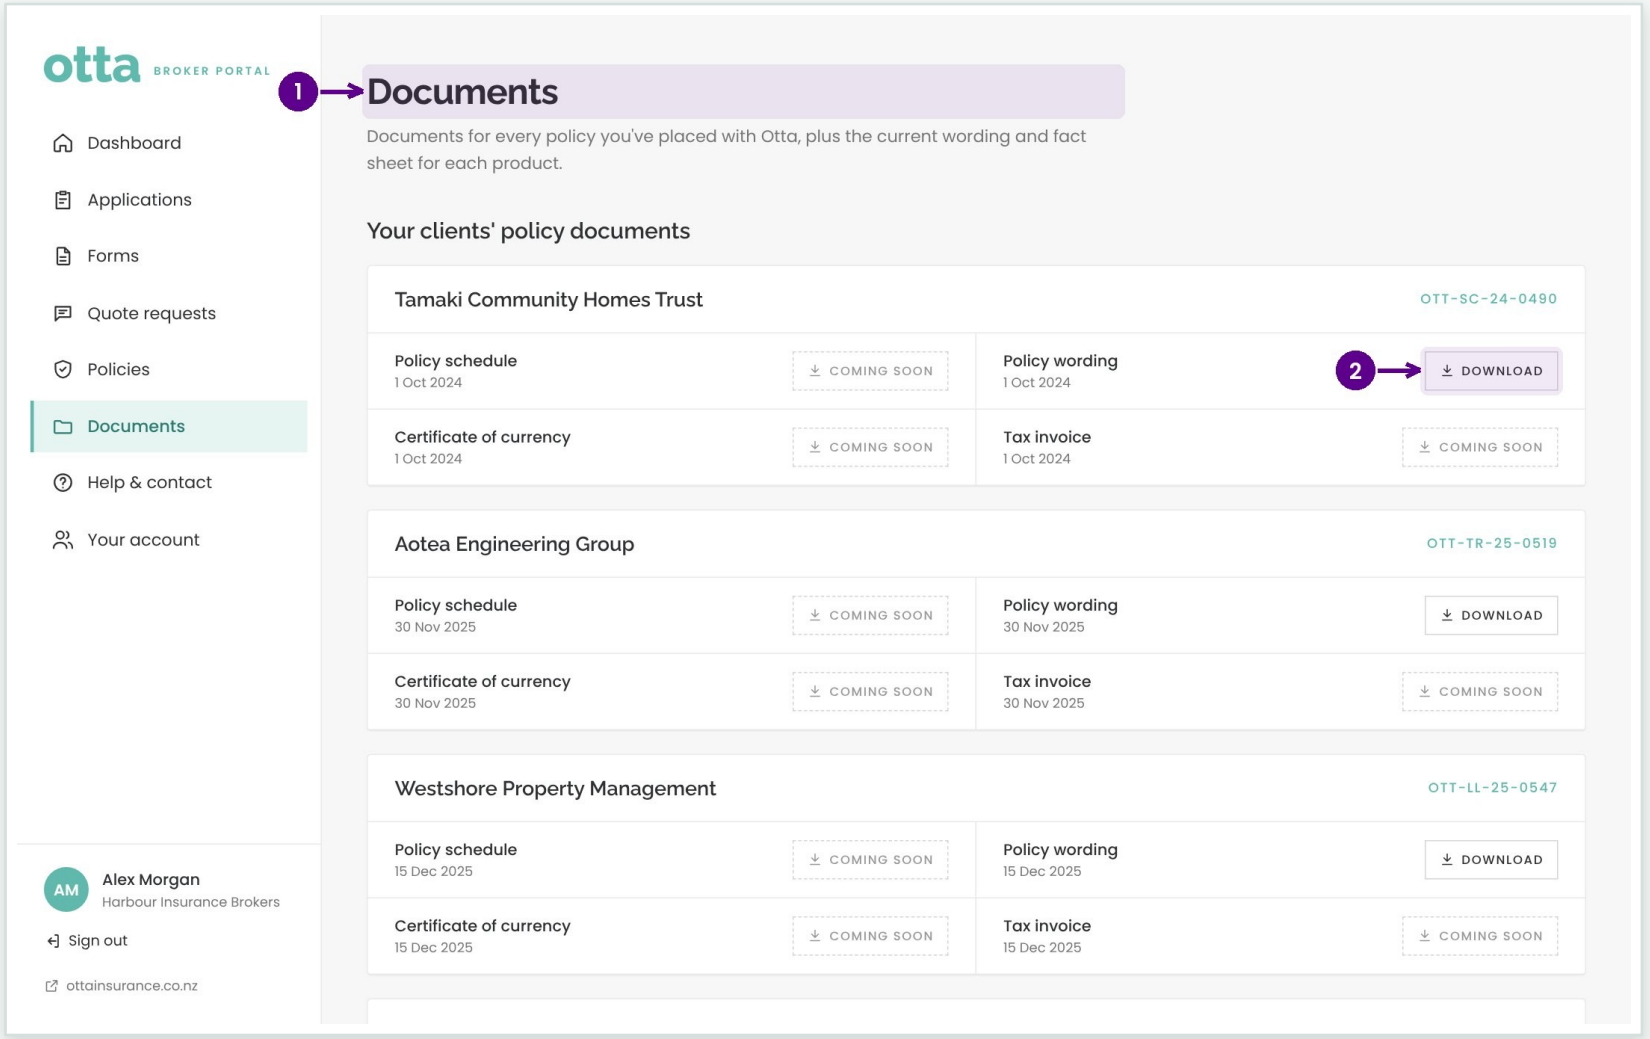

Policies

1. Search policies.

2. Select a policy to see its details and documents.

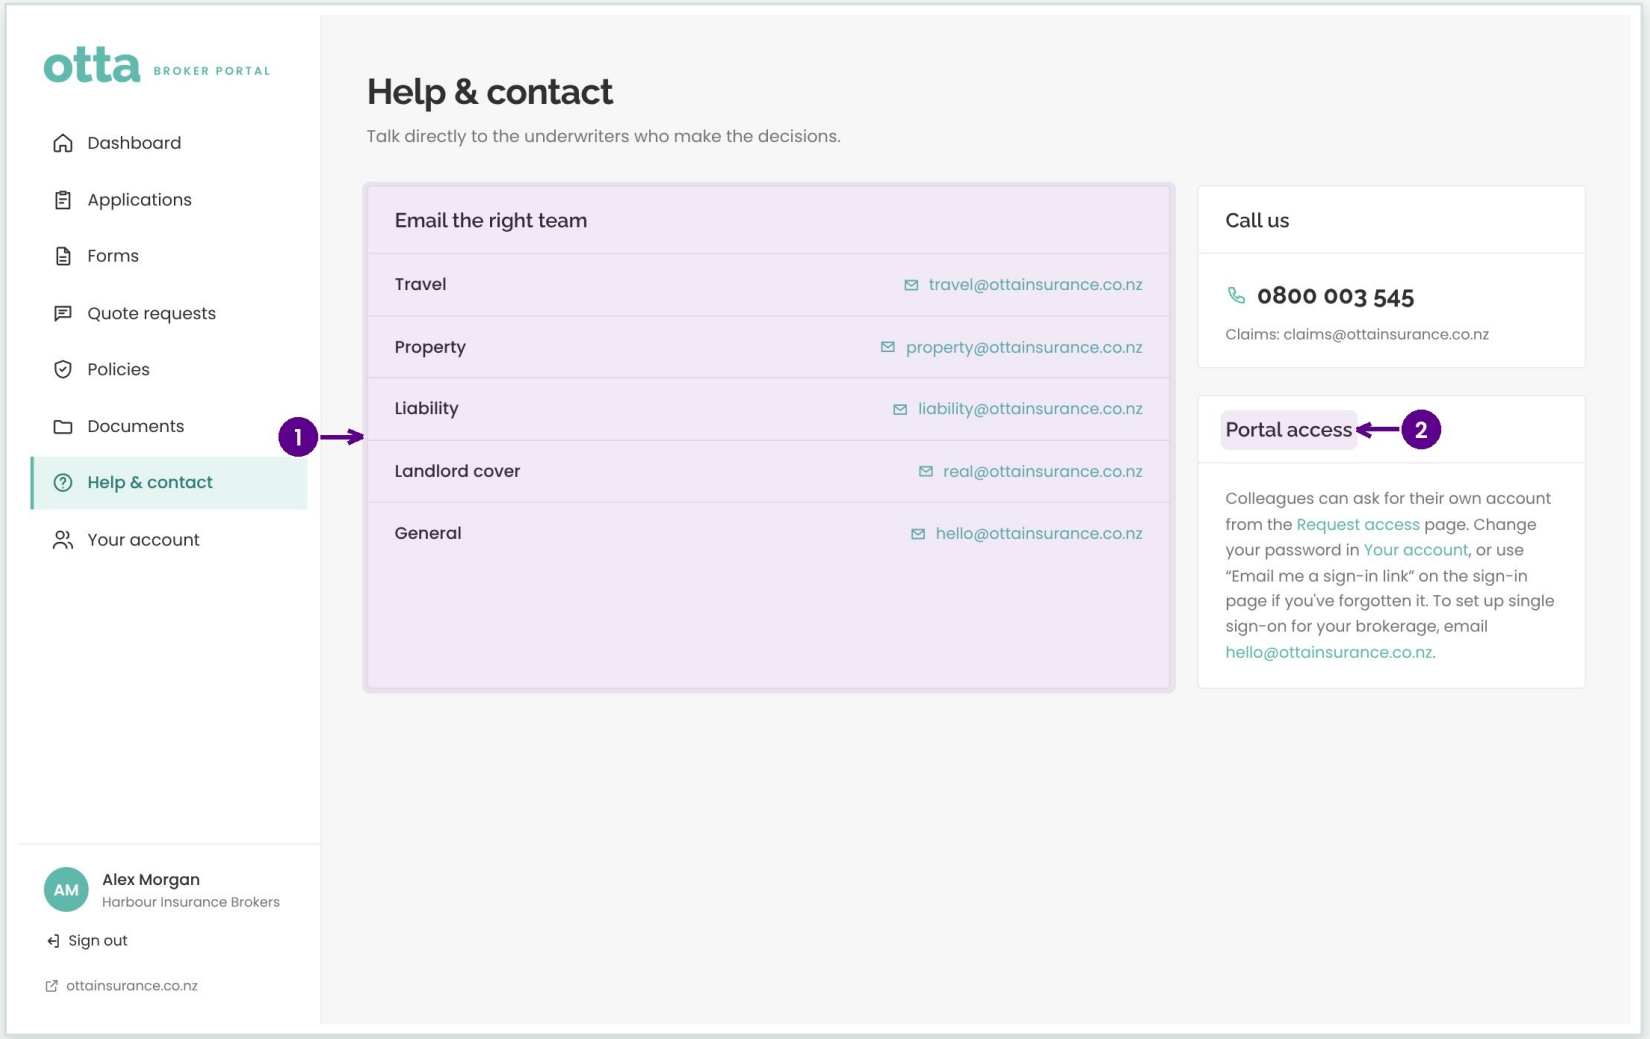

Documents

1. Policy documents for the brokerage.

2. Download any document.

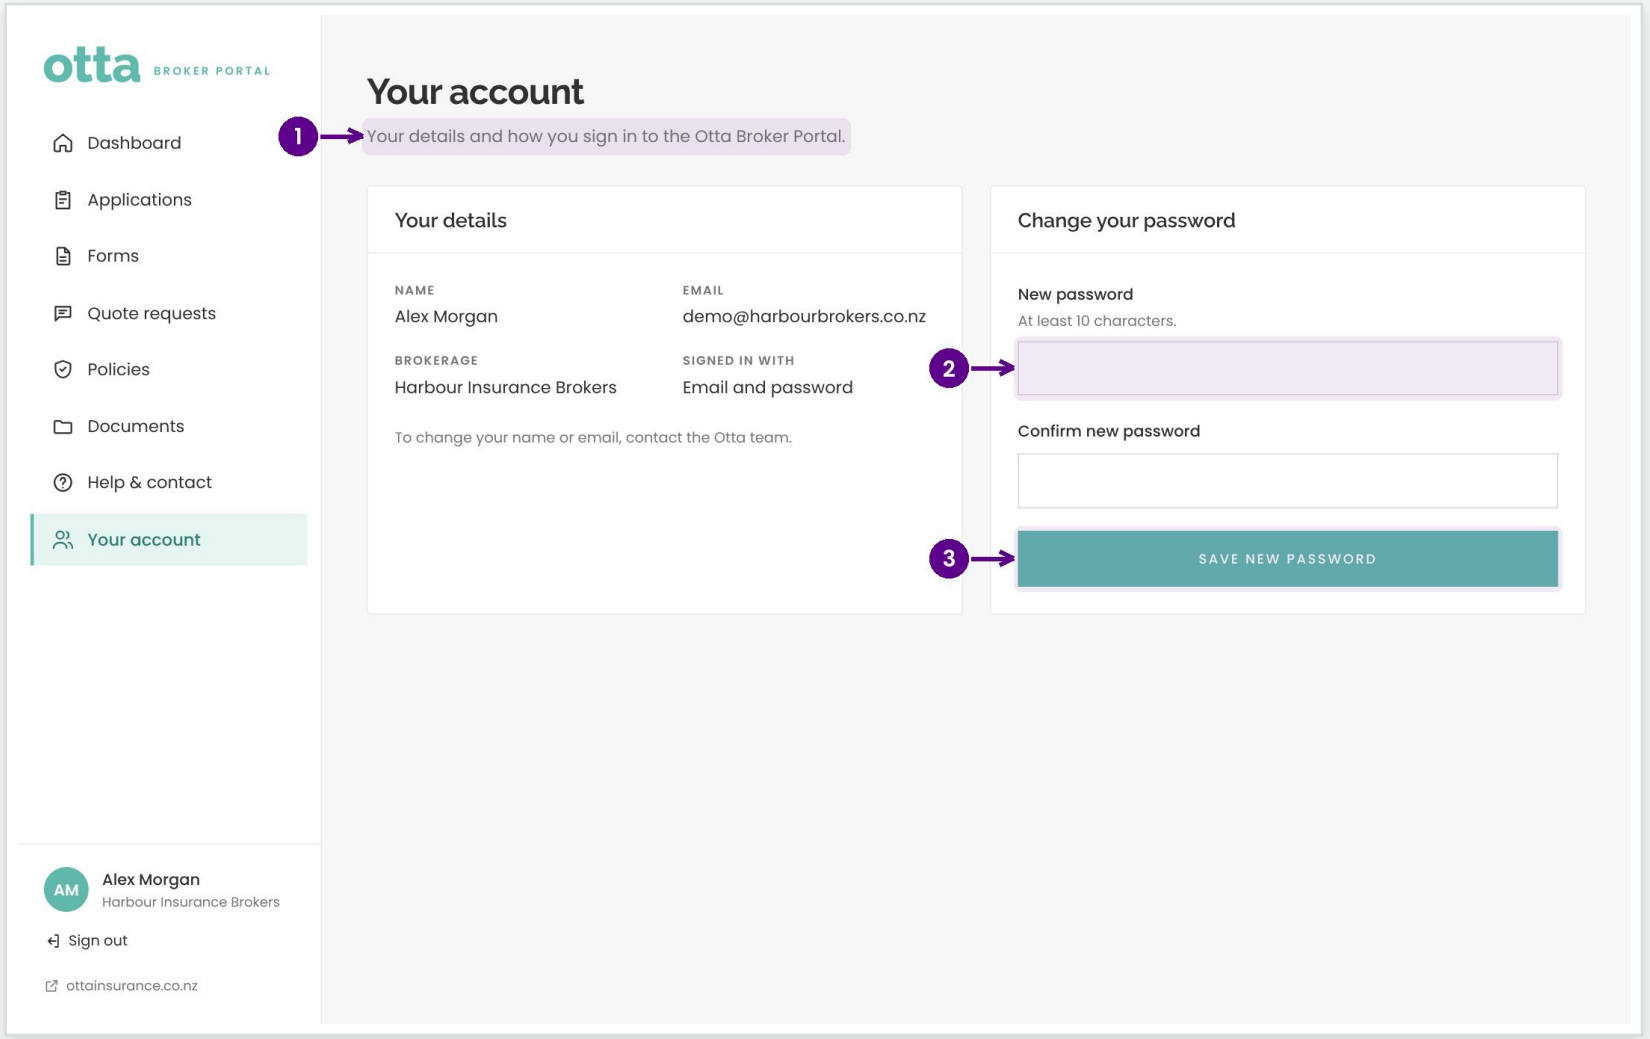

Help and contact

1. Email the right underwriting team directly.

2. How colleagues get access, and how to reset a password.

Your account

1. Your details.
2. Choose a new password.
3. Save new password.

Key points

- ✓ Brokers request access, Otta approves, and a welcome email sets up the account.
- ✓ Forms can be completed online or sent to the client as a secure link.
- ✓ Everything submitted goes straight to Otta and shows in Applications.
- ✓ Accepted quotes are bound with one instruction from the quote page.
